

Safe, sustainable and ethical
wood care products.

L.Co makes safe and easy to use wood care products made from the best tung oil in the world. Our tung oil is collected from sustainable forest management certified forests in Vietnam. We work directly with ethnic minority farmers and households to provide fair living wages. With support from non-profit organizations we are able to plant trees, a lot of trees! Over 300,000 to be exact and 1.2 million more in the next five years.
